

House Amendment 8384

PAG LIN

1 1 Amend Senate File 2298, as amended, passed, and
1 2 reprinted by the Senate, as follows:
1 3 #1. Page 184, by inserting after line 9 the
1 4 following:
1 5 _____. Section 257.13, Code 2003, is amended
1 6 by striking the section and inserting in lieu thereof
1 7 the following:
1 8 257.13 ON=TIME FUNDING BUDGET ADJUSTMENT.
1 9 1. For the school budget year beginning July 1,
1 10 2003, and succeeding budget years, if a district's
1 11 actual enrollment for the budget year, determined
1 12 under section 257.6, is greater than its budget
1 13 enrollment for the budget year, the district shall
1 14 receive an on-time funding budget adjustment. The
1 15 adjustment shall be in an amount equal to the
1 16 difference between the actual enrollment for the
1 17 budget year and the budget enrollment for the budget
1 18 year, multiplied by the district cost per pupil. The
1 19 additional funding received under this section is
1 20 miscellaneous income to the school district.
1 21 2. A school district that is receiving a budget
1 22 adjustment for a budget year pursuant to section
1 23 257.14 shall receive on-time funding for increased
1 24 enrollment, reduced by the amount of the budget
1 25 adjustment for that budget year. The resulting amount
1 26 shall not be less than zero.
1 27 3. If a district receives additional funding under
1 28 this section for a budget year, the department of
1 29 management shall determine the amount of the
1 30 additional funding which would have been generated by
1 31 local property tax revenues, in proportion to the
1 32 amount of funding actually received pursuant to this
1 33 section, if the actual enrollment for the budget year
1 34 had been used in determining district cost for that
1 35 budget year. The department of management shall
1 36 reduce, but not by more than the amount of the
1 37 additional funding, the district's total state school
1 38 aid otherwise available under this chapter for the
1 39 next budget year by the amount so determined, and
1 40 shall increase the district's additional property tax
1 41 levy for the next budget year by the amount necessary
1 42 to compensate for the reduction in state aid, so that
1 43 the local property tax for the next following year
1 44 will be increased only by the amount which it would
1 45 have been increased in the budget year if the
1 46 enrollment calculated in this section could have been
1 47 used to establish the levy.
1 48 4. There is appropriated each fiscal year from the
1 49 general fund of the state to the department of
1 50 education the amount required to pay additional
2 1 funding authorized under this section, which shall be
2 2 paid to school districts in the same manner as other
2 3 state aid payable under section 257.16.>
